

DIRECTIONS

Adults, add 1 level scoop of powder to 250ml water or juice. Collagen dissolves more effectively when shaken rather than stirred. It can be used in a cold or warm drink though it will dissolve better under tepid conditions. Do not exceed recommended daily dose.

APPROVED HEALTH CLAIMS

Vitamin C contributes to normal collagen formation for the normal function of skin, bones and cartilage.

Riboflavin, Biotin & Niacin contribute to the maintenance of normal skin.

ALLERGY ADVICE

Potential allergens are shown in bold in the ingredient list. Although rigorous precautions are taken to prevent any cross-contamination, this product is manufactured in a facility that handles allergy-based materials.

CAUTIONS

Always consult your health practitioner before taking nutritional supplements, especially if you are taking medication or are under medical supervision. You should not take supplements as a substitute for a varied balanced diet or healthy lifestyle. Store in a cool, dry & dark place, under 25 degrees, out of reach of children. Not suitable for vegetarians or vegans.
